WHAT INVESTMENT SERVICES AND ADVICE CAN YOU PROVIDE ME?

We offer investment advisory services to retail investors in the form of asset management and financial planning.

Asset (Portfolio) Management: We manage accounts on a discretionary and non-discretionary basis. Discretionary management means that after you sign an agreement with our firm, we are allowed to buy and sell investments in your account without asking you in advance. Any limitations on our discretionary authority will be described in the signed advisory agreement. We will have discretion until the advisory agreement is terminated. Non-discretionary management means we will contact you before a trading decision is implemented. We may delegate management of your account to one or more sub- advisors. Our firm does not impose requirements for opening and maintaining accounts or otherwise engaging us. We will review your accounts at least annually. There is no minimum account size.

Financial Planning: We offer broad-based financial planning, including charitable gifting strategies, risk analysis, insurance analysis, estate planning, and retirement planning. Meridian strives to achieve Clients' long-term financial goals by implementing a financial planning process. We do not monitor your investments as part of our financial consulting service. Generally, the Financial Consulting Agreement will remain in place until the services have been rendered, unless terminated by either of us before then.

Retirement Planning: Meridian provides retirement planning-related services separately or in combination with our other services. While the primary Clients for these services will be pension, profit-sharing, 403(b), and 401(k) plans, Meridian also offers similar services, where appropriate, to individuals, trusts, estates, and charitable organizations. These services may be provided on a discretionary or non-discretionary basis. We monitor accounts on an ongoing basis, and review at least annually with the client.

Additional information about our advisory services is located in Item 4 of our Firm Brochure which is available online at <https://adviserinfo.sec.gov/firm/summary/151523>.

Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do those qualifications mean?

WHAT FEES WILL I PAY?

Asset (Portfolio) Management: You will be charged an ongoing fee applied monthly based on the value of assets in your account. Our portfolio management fee is charged at an annual rate of 2.0% or less for assets under management. Our fees vary and are negotiable, at our discretion, and based on, among other things, the account's complexity, the level of service provided by the advisor, and other factors related to the overall client relationship.

Financial Planning : Meridian will typically charge an hourly fee of \$250 or a flat of \$250-\$500 per month or quarter for financial planning or consulting services. The fee is negotiable depending on the nature, complexity, and time involved in providing the Client with the requested services.

Other Fees: The advisory fees and transaction charges do not cover charges imposed by third parties for investments held in the account, such as contingent deferred sales charges or 12(b)-1 trails on mutual funds. In addition, each mutual fund or third- party investment manager charges asset management fees, which are separate from, and in addition to, the Firm's advisory fees. The fees charged by such funds or managers are disclosed in each fund's prospectus or Manager's ADV Part 2A. Third parties may require a minimum advisory fee or quarterly maintenance fee that will be detailed in the applicable Investment Management Agreement. Meridian's advisory fee also does not cover fees and charges in connection with: debit balances; margin interest; odd-lot differentials; IRA fees; transfer taxes; exchange fees; wire transfers; extensions; non-sufficient funds; mailgrams; legal transfers; bank wires; postage; costs associated with exchanging foreign currencies; and SEC fees or other fees or taxes required by law.

In certain cases, we may select third party asset managers to manage your account. If selected, they will charge you an additional management fee, which will be outlined in their separate advisory agreement.

Clients will also incur charges for software used to support data reconciliation, performance reporting, billing, research, client database

maintenance, models, trading, and other functions related to the administrative tasks of managing client accounts, up to \$5 per month, which may be reduced or waived at our discretion. These are fees that are in addition to management and planning fees that you pay the Firm and will be automatically debited from Client's designated account. These fees are subject to change at the discretion of the Firm. You will be notified of any change.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Additional information about our fees is located in Item 5 of our Firm Brochure, which is available online at <https://adviserinfo.sec.gov/firm/summary/151523>.

Help me understand how these fees and costs may affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs and how much will be invested for me?

WHAT ARE YOUR LEGAL OBLIGATIONS TO ME WHEN ACTING AS MY INVESTMENT ADVISOR? HOW ELSE DOES YOUR FIRM MAKE MONEY AND WHAT CONFLICTS OF INTEREST DO YOU HAVE?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you.

Here are some examples to help you understand what this means:

- Some of our financial professionals are also insurance agents who sell insurance products for a commission. These individuals have an incentive to recommend insurance products to you in order to increase their compensation.
- We may utilize third party sub-advisors to manage a part or all of your portfolio. In these cases, you may pay additional fees for the use of the third party sub-advisor.

How might your conflicts of interest affect me, and how will you address them?

Additional information about our conflicts of interest is located in Item 10 and 12 of our Firm Brochure, which is available online at <https://adviserinfo.sec.gov/firm/summary/151523>.

HOW DO YOUR FINANCIAL PROFESSIONALS MAKE MONEY?

Our financial professionals are compensated based on the revenue our firm earns from their advisory services or recommendations, the amount of client assets they service, and the time and complexity required to meet a client's needs.

DO YOU OR YOUR FINANCIAL PROFESSIONALS HAVE LEGAL OR DISCIPLINARY HISTORY?
